Objective:

The main reason for my job is to develop myself and gain experience so that I can do my best to contribute to the development and progress of the company.

I do not want to get a job in a big or small company just as I am interested in the challenge and motivation of the company's leaders.

One of my strongest strengths is to Affiliation strongly to where I am.

Previous Experience:

- I am working as Software Developer in Waritex Egypt from 1/9/2018 until now
- I was worked as full stack web development in Royah company from 1/7/2017 to 10/8/2018
- I was worked as php web developer in orb scope company from 1/8/2016 to 20/6/2017

Courses and certificates:

- PHP Web Developer Diploma **from** open vision center Training Hours: 100 hrs
{HTML, CSS, Java Script, JQUERY,AJX, PHP&MYSQL, Wordpress ,MVC}
